# Go Amsterdam
@ Lightspeed

2023-07-19

Get Involved with Go Amsterdam

- Be friendly and helpful
- Become a speaker
    - Lightning talks (5-10 min)
    - Talks (~20-30 min)
    - Other type of event
- Host the next meetup (at your company)
- Join Gopher Slack #amsterdam

Schedule

⚡ **What's new in Go** - Maksim Terekhin

🗣️ **Local microservices** - Andrii Zakharov

🍻 Break

🗣️ **Story of a bluetooth connection** - Ferenc Fábián
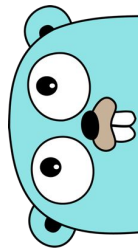

Intermission

```go
package main                              ⚠ 1 ∧ ∨    type t3 t1

                                                     func main() {
type t1 struct {                                         var mt1 t1
    f1 string                                            var mt2 t2
}                                                        var mt3 t3
                                                         _ = mt1.f1
                                                         _ = mt2.f1
func (t *t1) t1method() {                                _ = mt3.f1
}                                                        mt1.t1method()
                                                         mt2.t1method()
                                                         mt3.t1method()
type t2 struct {                                     }
    t1
}
```
